I started racing when I was 4 years old. My first event was an AMA Arenacross in Nashville, TN in January 2000 on a Yamaha PW50 & I have been racing at a National level since I was 6 years old.

My racing career has been very successful with several top ten finishes at National MX events including a 1st place in the 50cc 7-8 class at the 2004 Amateur Open of Motorcross. And more recently, this past year I secured the 2009 GNCC Series National Championship in the 85cc 12-13 class.

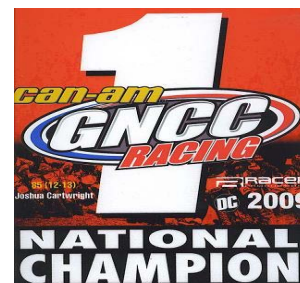

I have qualified for the 2010 Loretta Lynn's Amateur National, as well as in 2002, 2004, 2005, 2006, 2007 & 2009. I have also been invited to race with Team USA at the MX MasterKids race in Commercy, France (mxmasterkids.net) in July 2010. This event is published as the largest amateur MX event in Europe. Approximately 750 amateur riders from 23 nations are expected to attend.

How I will add value to your company:

I have a very positive attitude towards racing and everything that I do. I am gracious in victory and remain upbeat in defeat. We race almost every weekend and attend many of the countries largest races. My family and I are prepared to do whatever it takes to promote your company and your products in a positive manner.
